Subject: Firefighter Matthew Kelly (DOB: (c)) at 45 Shawmut Road, Canton MA.
Re: John O'Keefe Motor Vehicle Homicide.

Case: 2022-112-033

1. On January 29, 2022 at approximately 6:04AM, the Canton Police Department received a 911 call for a male party, John O'Keefe discovered unresponsive outside of 34 Fairview Road. Canton Police, Fire and EMS responded to the scene. Firefighter Matthew Kelly was assigned to Station 1 for his twenty-four hour shift (8:00AM January 28 through 8:00AM January 29). Canton Fire and EMS were dispatched to 34 Fairview Road for an unresponsive male discovered outside in the snow and CPR was in progress. Tpr. Kathy Prince and I met with Matthew at 45 Shawmut Road on February 9, 2022 at 9:00AM and agreed to speak with investigators.

2. Matthew has been employed by the Canton Fire Department for three months and prior becoming a firefighter worked at Brewster Ambulance services as an EMT for approximately five months. While responding to the scene, Matthew was riding in the Ambulance and described the weather as heavy snow with approximately three to four inches of snow on the ground.

3. Upon arrival Matthew observed the victim on the front left side of the property and approximately four feet from the roadway. Matthew stated the victim did not display any signs of life, frozen with blood and fluids excreting from his mouth. Matthew observed the victim wearing jeans and only had one sneaker on. Matthew stated he observed two females and a Canton Police Officer on scene. Matthew identified one of the females as the victim's girlfriend. Matthew described her as a white female with brown hair and observed blood on her face from performing mouth to mouth. Matthew stated he could hear this female screaming "He's dead. He's fucking dead". After securing the victim inside of the Ambulance, Matthew observed a large welt over the victim's right eye and numerous deep scrapes that appeared fresh.

4. Matthew assisted with care while transporting the victim to Good Samaritan Hospital. Matthew stated he did not locate any clothing or the missing shoe inside of the ambulance after the transport was complete.
